HEALTH GUARANTEE

At Hickory Ridge Retrievers we take great pride in our puppies. They are vet checked, have dew claws removed at three to five days old, wormed at four, six weeks old and given shots at six weeks and eight weeks of age. Our puppies are raised indoors. They are taken outside on warm days to enjoy some sunshine and fresh air. All puppies are given lots of love and attention starting at an early age. By the time they are ready to go to a new home they are well socialized.
